Christmas Wreath Workshop

Foraging Only - Saturday 28 November - 10:00am – 11:00am at Nuneham Estate.

You will need to bring:-

- Secateurs
- Gloves
- Sturdy outdoor boots/shoes and warm clothing
- A garden trug/bucket for foliage (spruce, pine, yew, holly & ivy)
- We can store cuttings on site if you don't have a trug.

We will then cut them up into 20cms lengths.

Sunday 29th November at 10:30am at Nuneham Estate. You will have the opportunity to forage if you could not make Saturday and, there will be spare so don't worry!

You will need to bring with you:-

- Florist reel wire £3.99 Amazon. Dunelm 6m £1.50. Get x 3.

Wreath base or wire. Approx. £7 on EBay

- Or oasis wheel for table decoration. I have 5 that I can sell for £5 each. Excellent for table decoration instead of door.
- Secateurs
- Gloves

For decoration on your wreath:-

- Ribbon. Use bits that you already have.
- Baubles.
- Pine cones, cinnamon sticks, berries & dried orange slices.

We will start a WhatsApp group so that we can share any items we may have so we are not inundated! Key is recycling what you have.

I will bring along my glue gun, but please bring one if you have one.

I'm so looking forward to creating a unique Christmas wreath with you 🎄
Angie 😁
